

## Public Perception of Artificial Intelligence

Dear Survey Participant,

I invite you to participate in this survey, "Public Perception of Artificial Intelligence," as I would like to understand the different perspectives and opinions that individuals like yourself hold regarding artificial intelligence (AI). As AI continues to be involved in various aspects of our daily lives, it is crucial to understand public sentiments, concerns, and expectations. Your honest and thoughtful responses will help me gain a better understanding of the public's stance on AI, ultimately contributing to informed discussions and decision-making processes. I appreciate your time and willingness to participate in this survey.

Rest assured, your responses will be kept confidential, and the data collected will be used solely for research purposes.

Thank you for being a part of this journey to explore public opinions on artificial intelligence.

P.S.: This survey contains credits to get free survey responses at SurveySwap.io

Sincerely,  
Ruoxi Hou
